Commissioner of Patents and Trademarks
Washington, DC 20231

Sir :

In response to the Notice of Allowability, mailed by the Patent and Trademark
Office on June 15, 2001 and to the Statement of Reasons for Allowance attached thereto,

Applicants wish to clarify the record with respect to the basis for the patentability of
claims in the present application. In this regard, while Applicants do not disagree with
the Examiner's indication that certain identified features are not disclosed by the
references, Applicants submit that each of the claims in the present application recite a
particular combination of features, and that the basis for patentability of each of these
claims is based on the totality of the particular features recited therein.
